Fire & Police Pensions

TO SERVE THOSE WHO PROTECT

DIRECT DEPOSIT INFORMATION

Los Angeles Fire and Police Pensions offers its members the convenience of direct deposit. You may elect to have your pension deposited directly into your checking, savings, or credit union account. The following information covers commonly asked questions.

HOW DOES DIRECT DEPOSIT WORK?

Instead of printing a check each month, we electronically transfer the money to an account in your designated banking institution.

WHAT ARE THE BENEFITS OF DIRECT DEPOSIT?

Direct deposit offers a fast, easy and secure way of depositing funds directly into your account on the day the payment is issued. Apart from the advantage of saving time and gasoline for those trips to the bank, direct deposit may be the most reliable option during an emergency that could disrupt mail services in your area.

WILL MY BANK ACCEPT DIRECT DEPOSIT?

Any financial institution in the United States belonging to the Automated Clearing House (ACH) network (bank must have 9-digit ABA transit routing number) accepts direct deposit.

WHEN WILL MY MONEY GO INTO MY DIRECT DEPOSIT ACCOUNT?

Funds are credited on the *last working day* of each month.

DO I STILL GET A STATEMENT?

You will receive a monthly itemized statement which is mailed to your address on record.

HOW LONG DOES IT TAKE TO START OR CHANGE A DIRECT DEPOSIT?

Once we receive a correctly completed Direct Deposit Form with a cancelled or voided check, it will take 2-6 weeks to start, depending on when it is received. Direct deposit forms received in the first half of any given month will be processed for that month's payment. Direct deposit forms received in the latter half of any given month will be processed for the following month's payment.

Do not close your existing direct deposit account until we have made a direct deposit to the new account!

WHAT HAPPENS WHEN I CANCEL MY DIRECT DEPOSIT?

When you cancel your direct deposit, future pension payments will be made by check and mailed to you at the last address we have on file for you. Address changes must be submitted in writing. Forms can be found at www.lafpp.com.

HOW DO I BEGIN?

1. Complete this form using the instructions on the reverse side of this sheet.
2. Submit your completed form by mail (address below), email (pensions@lafpp.com) or fax (213) 628-7716.

DIRECT DEPOSIT INSTRUCTIONS

IF YOUR DIRECT DEPOSIT FORM IS NOT COMPLETED PROPERLY, WE CANNOT PROCESS YOUR REQUEST.

TO START OR CHANGE YOUR DIRECT DEPOSIT:

1. Print your name and social security number on the form.
2. You or your banking institution will fill out the bank routing number, account number and bank information on the form. Have a bank officer sign as the "Approving Officer – Bank". If you complete this information, the "Approving Officer – Bank" signature is not required. In either case, attach a cancelled or voided check to the completed direct deposit form.

Please verify your bank routing number with your financial institution - a deposit slip number may not be correct. Los Angeles Fire and Police Pensions is not responsible for verifying your bank information.

3. Check a box next to Savings or Checking to indicate the account type to which the deposit is to be made.
4. (a). TO START your direct deposit, check #1 on the form.
(b). TO CHANGE your existing direct deposit, check #2 on the form.

Remember to attach a cancelled or voided check to the direct deposit form.

5. Sign the form and return it to Los Angeles Fire and Police Pensions.

Do not close your existing direct deposit account until we have made a direct deposit to the new account!

TO CANCEL YOUR DIRECT DEPOSIT:

1. Print your name and Social Security number on the form.
2. Fill in the bank routing and account numbers, and bank information.
3. Check #3 on the direct deposit form.
4. Sign the form and return it to Los Angeles Fire and Police Pensions.

NOTE: Although the actual deadline varies month-to-month, typically, completed direct deposit forms must be received by Los Angeles Fire and Police Pensions by the 15th of any given month in order for the change to take effect for that month's payment. We ask that you not close your existing direct deposit account until we have made a direct deposit to the new account.
