General Manager's Message

We are pleased to tell you that we created a new look that will affect all communications sent to you from our Department, including newsletters, informational bulletins and even our Web site. It standardizes our look, incorporates our logo, mission statement and motto, and helps us to send a clear and consistent message. This is called "branding."

What is a brand? A brand is a promise an organization makes. Our promise is to advance the health and retirement security of those who dedicate their careers to serving and protecting the people of Los Angeles. This promise defines who we are and what we represent at Los Angeles Fire and Police Pensions (LAFPP). We want our members to know what they can expect from us every time we reach out to them (and vice versa).

Why does it matter? If we uphold our brand promise to every member every day, we show members that we value who they are and what they do. It can help us to give something back to those who have given so much to our community over the years. It's our way of "serving those who protect."

We are also working to provide you with benefit information at your convenience. Our Web site has undergone a complete redesign, with easier navigation, updated information and our new brand. Please visit us at our new Internet address, www.lafpp.com.

Sincerely,

Michael Perez
General Manager

An Update from Your Deferred Compensation Plan

Submitted by Steve Harman, Sr. Account Executive, Great-West Retirement ServicesSM

Have you checked out the Deferred Compensation Web site lately? There is a special section for our retirees. Called the "Retiree Corner," it provides information ranging from topical news articles and features to retiree-specific presentations. Also, if you are a traveling retiree, sign up for the Online File Cabinet and we will email you when your quarterly statement is available. You then can download the statement from the Web site, print it out, or save it to your own computer. Get online today!

We also are pleased to announce the availability of direct deposit for partial and full distributions. You now can have your one-time payment deposited directly to your checking or savings account for an additional charge of \$15 per withdrawal from your Deferred Compensation Plan account. You may still receive your payment by check and avoid the fee. Direct deposit of periodic payments will continue to be offered without any additional charge.

Great-West Retirement Services is the administrator of the City's Deferred Compensation Plan. Pension Protection

RULES FOR RETIREE INSURANCE

Under the Pension Protection Act of 2006, Section 845, retired public safety officers who meet the eligibility requirements and file an application with the Plan may receive a tax exclusion from gross income of up to \$3,000 per year for health and dental insurance premiums paid directly by the Plan. This tax exclusion is effective for tax year 2007, but only for payments that are made after you file your application with the Plan. The following is a summary of the rules.

Q. What does the law provide?

A. The law says that qualified public safety employee retirees may deduct insurance premiums paid from their retirement benefits for health care or long-term care up to \$3,000 per year.

A dependent has to be someone for whom you can take a deduction on your tax return. Your individual tax advisor or accountant should be consulted regarding an individual's qualification as a dependent.

Q. Who is a qualified public safety employee retiree?

A. All Los Angeles firefighters and police officers who retired on or after achieving eligibility for normal retirement or who retired on a disability retirement meet the definition. Vested members who left before being able to retire are not covered. If you worked as a police officer or firefighter but retired from the City in a different employment category, you are not covered.

Q. Is a domestic partner a spouse?

A. No. A domestic partner is not a spouse. A spouse must be a person to whom you are legally married. A domestic partner may be claimed as a dependent if he or she otherwise qualifies as a dependent for tax purposes.

Q. Does the law cover only my individual premiums or does it apply to family members?

A. Retirees can use the payment for their own insurance and/or for the premium to cover a spouse or a dependent.

Q. If I am legally married to another retired member of the Fire and Police Pension Plan, do we each get to claim a \$3,000 deduction?

A. Yes, as long as your premiums are at least \$3,000 per year each.

Q. Is there any rule about how the premium is paid?

A. Yes, the pension plan must pay the premium directly to the provider of

Act of 2006

the health or long-term coverage. Money paid directly by the retiree doesn't count. Therefore, Health Insurance Premium Reimbursement participants do not qualify for this tax benefit.

Q. I heard that I can claim the \$3,000 deduction from each of several plans. Is that true?

A. No. The total amount that can be claimed by a retiree for premiums paid for the retiree, spouse, and dependents is the actual amount of the premium up to \$3,000 from all plans combined.

Q. When I die, if I have survivors, do they get to keep deducting the premiums for their health care coverage from survivor payments?

A. No, the benefit "dies" with the retired member.

Q. Are all insurance plans covered under this law?

A. No. The coverage is limited to the plans maintained by the City and the employee organizations.

Q. How will the income paid for insurance be reported to the IRS?

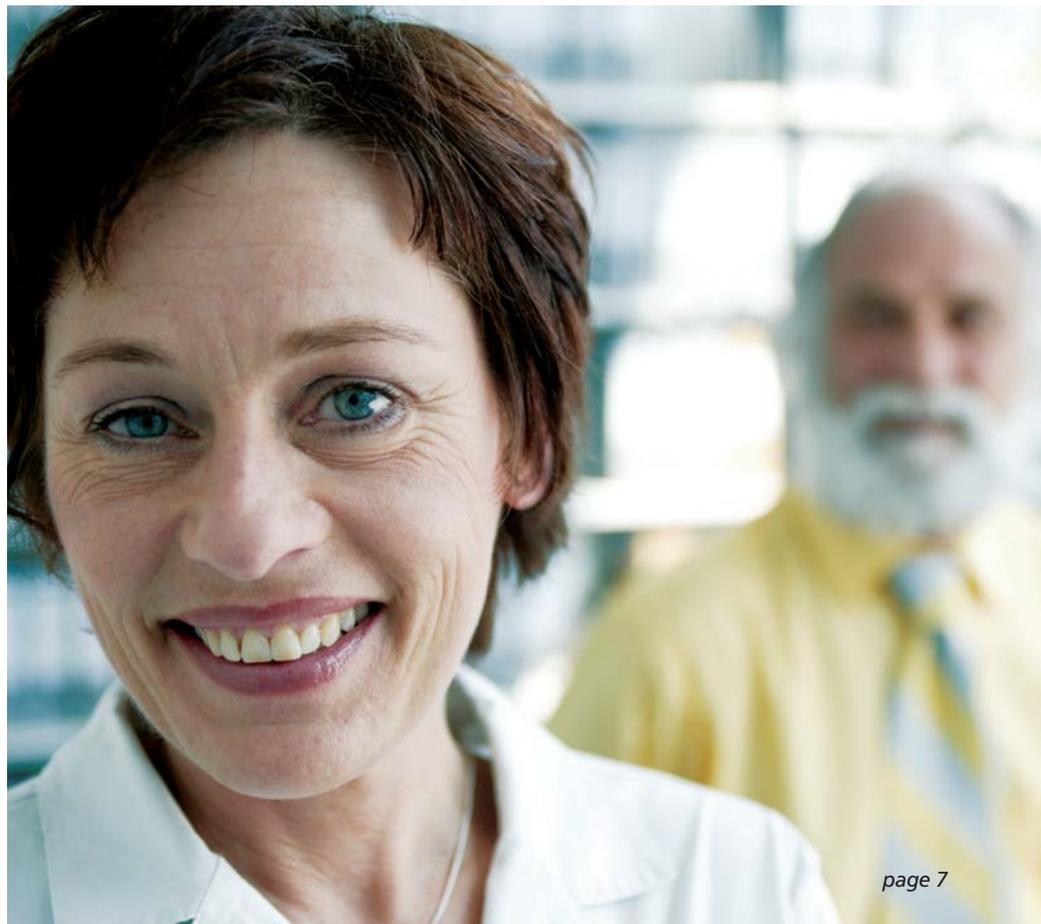

A. Every year you receive a 1099-R form from the Fund. The IRS issued recent guidance concerning the administration of this law, but it created more questions than it

answered. Further clarification is being sought. As we get closer to the end of this year, we expect that additional information will be provided.

Q. Whom do I call if I have questions?

A. Contact the Medical and Dental Benefits Section at (213) 978-4560 between 8:00 am and 5:00 pm.

Qualified public safety employee retirees may deduct insurance premiums paid from their retirement benefits for health care or long-term care up to \$3,000 per year.

Income Tax Withholdings

Pensioners receiving taxable pensions may elect to have federal and California state taxes withheld from their pension payment. Each pensioner decides whether or not taxes will be withheld and can specify the withholding option. Please note: **YOU MAY INCUR PENALTIES IF NOT ENOUGH TAX IS WITHHELD.** You may want to consult your tax advisor to evaluate your tax withholding elections.

DO YOU NEED AN UPDATE FOR 2007?

The federal government and the State of California (for CA residents only) require that the Department of Fire and Police Pensions withhold taxes unless the pensioner completes an Income Tax Withholding form and requests that no taxes be withheld. If a completed form is not on file with our office, the Department must deduct taxes as if the pensioner were a married individual with three withholding deductions.

You can download an Income Tax Withholding form from our Web site at www.lafpp.com or call Retired Member Services at (213) 978-4495 to request that a form be mailed to you.

To complete the form, select option 1, 2, or 3. (Please refer to the instructions on page 9.) You may change your withholding status at any time by submitting another form.

Important notes: Taxes are withheld on a monthly basis. Your withholding designation should be the amount

that you want deducted each month, not the total amount for the year. Do not check more than one option for Federal Taxes and one option for California State Taxes. Under option 3, the flat dollar amount must be entered as a whole dollar amount with no cents, and not as a percentage.

Contact the Department of Fire and Police Pensions at (213) 978-4495 if you have questions about this form. Mail your completed form to Department of Fire and Police Pensions, Attn: Retired Member Services, 360 East Second Street, Suite 400, Los Angeles, CA 90012.

Instructions for Completing the Pensioner's Request for Income Tax Withholding Card (W4-P)

FEDERAL TAX WITHHOLDING (MONTHLY)

You have three options for withholding federal tax. You may only choose one option. Choosing more than one option may void the card.

OPTION 1 By making this election, no federal taxes will be withheld.

OPTION 2 Making this election means federal taxes will be withheld using the tax tables. Your withholdings will change according to the tax tables. You must also designate a withholding status of Married or Single and indicate the number of allowances. If the number of deductions is left blank, we will assume your Total Number of Deductions is zero.

OPTION 3 Make this election to withhold a monthly whole dollar amount for federal taxes. The dollar amount you elect will not change until you file a new withholding card with Fire and Police Pensions.

CALIFORNIA STATE TAX WITHHOLDING (MONTHLY)

You have three options for withholding California state tax. You may choose only one option. Choosing more than one option may void the card.

OPTION 1 By making this election, no state taxes will be withheld.

OPTION 2 This election authorizes state tax to be withheld at 10% of the federal rate.

OPTION 3 Make this election to withhold a monthly whole dollar amount for state taxes.

If you are a California resident and never submitted a tax withholding card, we deducted taxes as if you were a married individual with three withholding deductions. This applies to your federal tax withholding as well.

The California source tax was repealed January 1, 1996. Pensioners who are not residents of California

no longer have to pay California taxes on their pensions. However, if you would like CALIFORNIA state taxes to be withheld, please elect OPTION 3.

Your election is in effect until Fire and Police Pensions receives a new withholding card. Changes in your withholding election can be made as often as you wish.

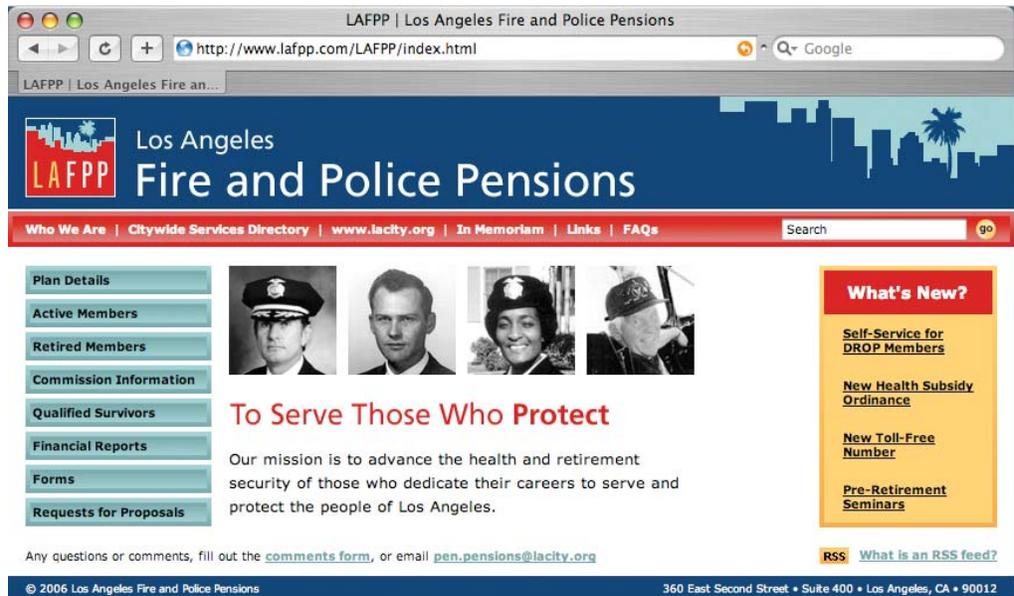

The Department of Fire and Police Pensions cannot give you tax advice. Questions regarding your tax liability should be directed to your tax advisor or the taxing agency.
